

Work with Wall-e

Help Wall-e work out the halves of numbers and shapes, as he clears up in this puzzle worksheet.

Rubbish Stack

Wall-e has stacked 6 cubes of rubbish. Circle half of the cubes.

Shape cutting

This shape needs to be cut in half.

Draw a line where Wall-e should cut.

Billiard Balls

Wall-e found balls with numbers on them. Which ball is half of 10?

Fairy Lights

Wall-e loves lights! Circle half of the light bulbs.

How many did you circle?

Collectables

Wall-e collects interesting objects that he finds. He has found lots of lightbulbs!

Half the lightbulbs are yellow. Colour them in.
